

REMARKS/ARGUMENTS

Claims 1-22 are active in this application. The claims have been amended to place the application into condition for allowance by inserting the structures for Formulae 14-21 into claims 6, 12 and 18, and to delete from claims 1, 7 and 13 the non-elected subject matter as requested by the Examiner. Claims 23-25 have been cancelled as they corresponded to the now amended claims 1, 7 and 13. No new matter has been added by these amendments.

Applicants wish to thank the Examiner for the indication of allowable subject matter in the present application.

Applicants submit that the application is now in condition for allowance and early notification to such effect is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
